

LINK ERROR XX REQUIRED

Error Explanation:

Certain lectures and labs are "linked" together. You must register for both the lecture and lab in the same commit. Most departments list the lecture section as a single letter (ex. A) and the lab as the same letter followed by a number (ex. A1, A2, etc). You can see which lecture sections that labs are linked to using the following instructions:

1. Log into Buzzport, www.buzzport.gatech.edu.
2. Select [Registration - OSCAR](#) to log into OSCAR.
3. Select [Student Services & Financial Aid](#).
4. Select [Registration](#).
5. Select [Look Up Classes](#).
6. Select the [Term](#) and press [Submit](#).
7. Select the subject you are interested in and press [Course Search](#).
8. Select the class number and press [View Sections](#).
9. On the [Look-Up Classes to Add](#): screen, the lab classes are listed under the lecture class.
10. Select the class and section you are interested in by clicking on the hyper-linked CRN.
11. The link information is listed at the bottom of the [Class Schedule Listing](#) screen.

Example:

Suppose PHYS 2211 A (lecture) is linked to the labs PHYS 2211 AL1, PHYS 2211 AL2, etc. Also suppose PHYS 2211 B (lecture) is linked to the labs PHYS 2211 BL1, PHYS 2211 BL2, etc. Using this example, a student could registrar for PHYS 2211 A and PHYS 2211 AL3. The student could not register for PHYS 2211 A and PHYS 2211 BL2.

Solution:

Students must sign up for both linked classes on the same commit.

Screen Shots:

Look-Up Classes to Add:

To register for classes, check the box in front of the CRN and click Register or Add to Worksheet, where you can continue with the registration process.

The letter "C" to the left of a class means that the class is closed.
"SR" means you cannot register because you do not meet the restrictions on the course OR your "NR" means not available for registration at this time.
NOTE: If you are not eligible to register or do not have a valid time ticket, you will not be able to

The column labeled "BAS" is the basis (grade mode) of the course. "A" = audit, "L" = letter grade
Click the CRN of the course to see pre-requisites, linked lab information, etc.

Registration will close at the time indicated on your time ticket. Once registration closes, you can sign up for a variable hour course, sign up for an internship or a co-op work assignment, and an
